

Registration Guidelines – Start Up Manipur Portal

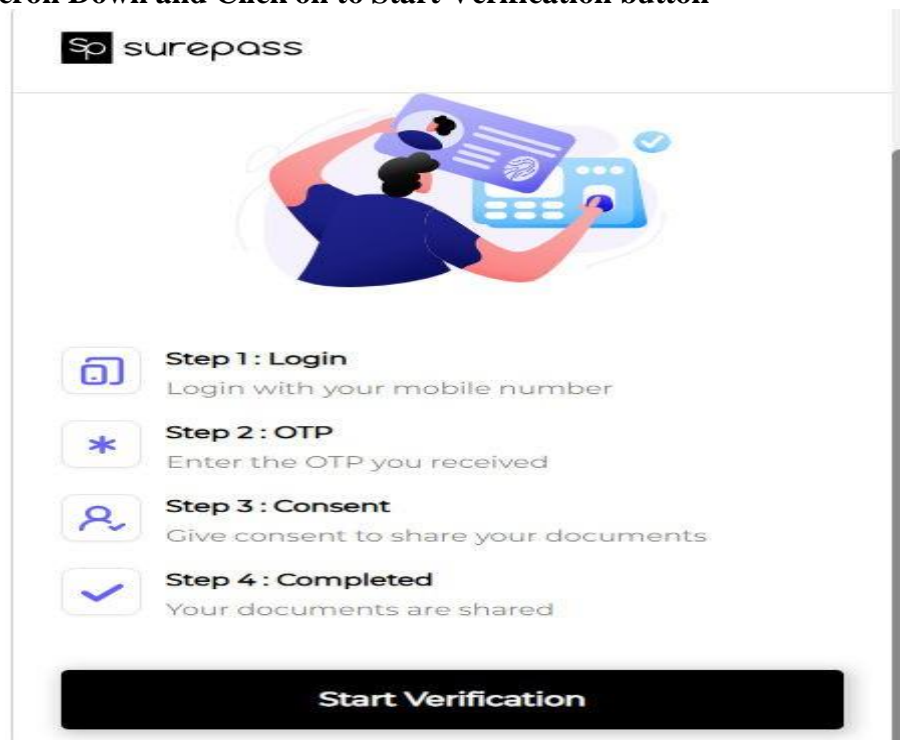

- A DigiLocker account is mandatory for registering in the Start Up portal.
- Aadhaar KYC is compulsory and must be uploaded in DigiLocker.
- The mobile number must be linked with Aadhaar and should be the same as used for DigiLocker.
- Registration will proceed only after successful DigiLocker verification.
- If you do not have a DigiLocker account, sign up at:

🔗 <https://www.digilocker.gov.in/> or You can directly signup form the Start Up Portal

Step 1: Click on Login With DigiLocker

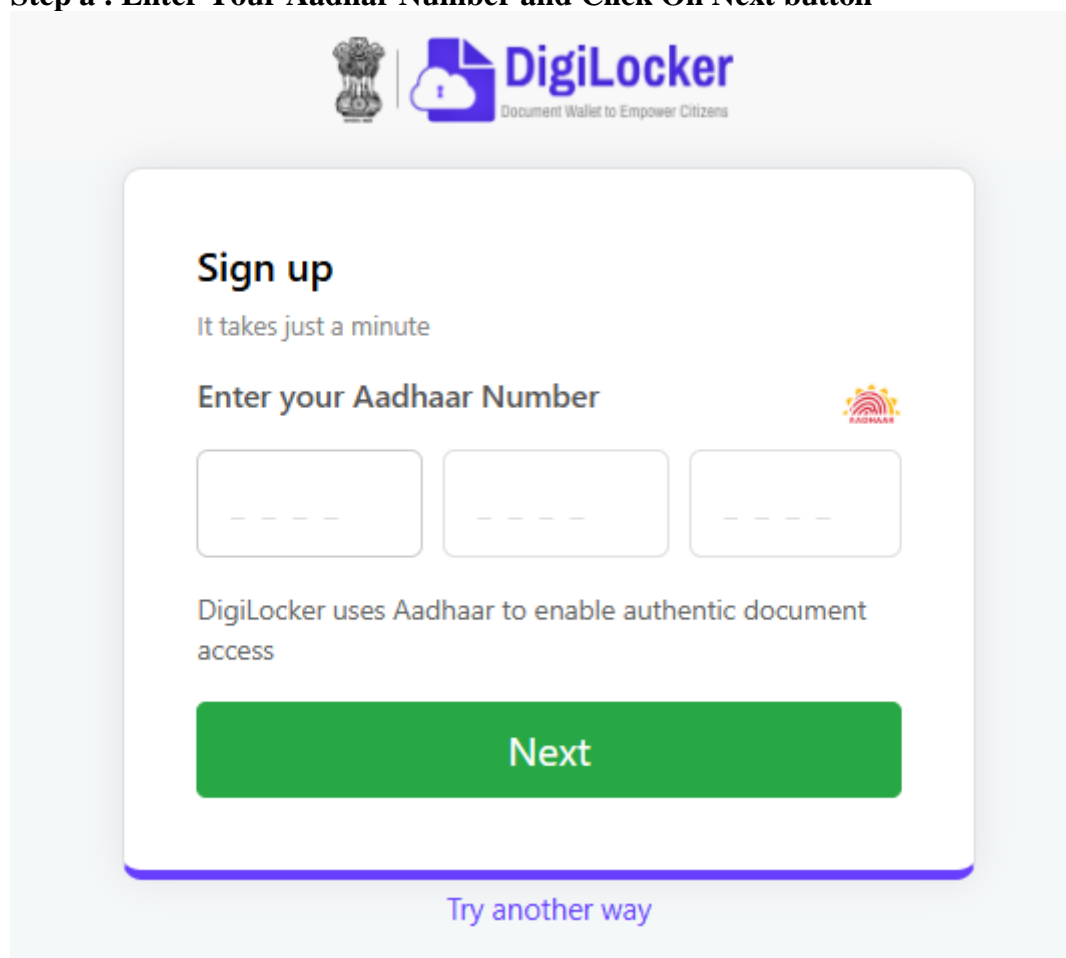

Step 2: Scroll Down and Click on to Start Verification button

For Users with no digilocker Account

Step a : Enter Your Aadhaar Number and Click On Next button

The screenshot shows the DigiLocker sign-up interface. At the top, there is a header with the Government of India emblem, the DigiLocker logo, and the tagline "Document Wallet to Empower Citizens". Below the header, the main content area is titled "Sign up" with the subtext "It takes just a minute". The primary instruction is "Enter your Aadhaar Number", accompanied by a small Aadhaar logo. There are three input fields for the Aadhaar number, each containing four dashes. Below the input fields, a message states "DigiLocker uses Aadhaar to enable authentic document access". A large green "Next" button is positioned below the message. At the bottom of the form, there is a link that says "Try another way".

Step b: Enter the OTP sent in the Registered Mobile Number

The screenshot shows the DigiLocker OTP verification screen. At the top, there is a header with the Government of India emblem, the DigiLocker logo, and the tagline "Document Wallet to Empower Citizens". Below the header, the main content area is titled "Verify Aadhaar OTP". A green message box states "DigiLocker has sent you an OTP to your registered mobile (xxxxxx6439)". Below the message box, the instruction is "Please enter OTP to complete verification". There is a single input field for the OTP. Below the input field, a message states "Didn't receive OTP? Wait few minutes for the OTP to arrive. Do not refresh or close!". A large green "Submit" button is positioned below the message. At the bottom of the form, there is a link that says "Didn't get the OTP? Resend OTP". At the very bottom of the screen, there is a link that says "Create your account using mobile".

Step c: Entered the Pin which you have set in creating the Digilocker Account and click on Done Button

The image shows the DigiLocker login interface for users who are already registered. At the top, there is the DigiLocker logo with the tagline "Document Wallet to Empower Citizens". Below the logo, a message states: "You are already registered with DigiLocker. 6 digit PIN provides extra security to your account with two factor authentication. Don't disclose your Security PIN to anyone." The user is prompted to "Please enter your 6 digit Security PIN to Signin". There are six input boxes for the PIN, with the first box containing a vertical line. To the right of the boxes is an eye icon. Below the input boxes is a link that says "Forgot my PIN". At the bottom is a large green button labeled "Done".

Step d: Checked on the Issued Document and Click on Allow Button

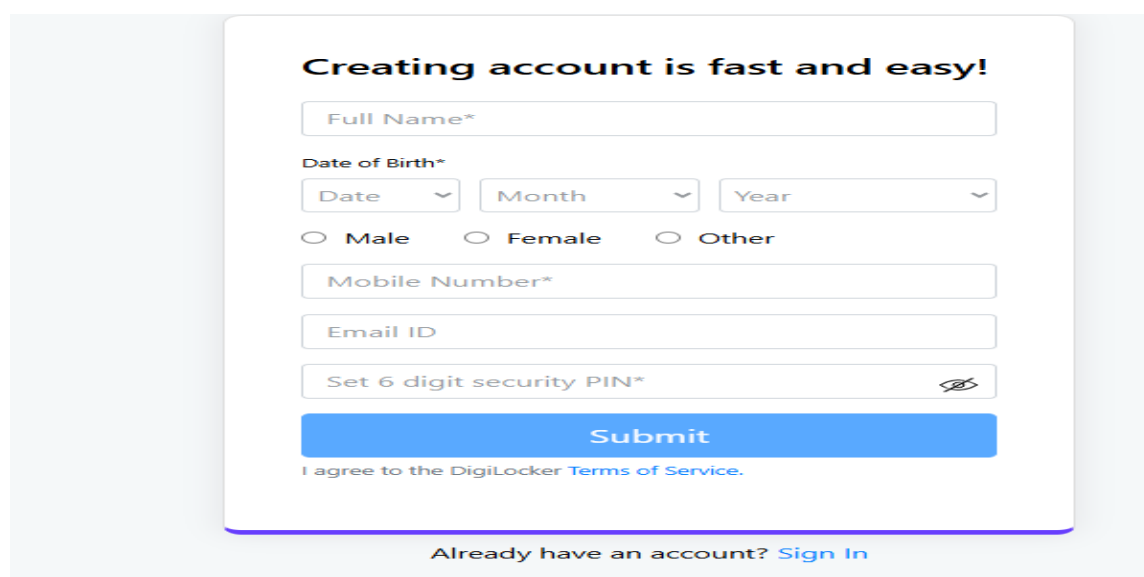

The image shows the DigiLocker consent screen for sharing documents with VerifyGo. At the top, there is the DigiLocker logo and a green shield icon with a checkmark. The main heading is "Please provide your consent to share the following with **VerifyGo**:". Below this, there are four items listed with checkboxes: "Issued Documents (1)" (checked), "Aadhaar Card (XX8784)" (checked), "DigiLocker Drive" (unchecked), and "Profile information" (unchecked). The "Profile information" item has a subtext "Name, Date of Birth, Gender". Below these items is a section for "Consent validity date (Today + 30 days)" with the date "25-January-2026" and an "Edit" button. The "Purpose" is listed as "Know Your Customer". At the bottom, there is a disclaimer: "Consent validity is subject to applicable laws. By clicking 'Allow', you are giving consent to share with **VerifyGo**." There are two buttons: "Deny" and "Allow".

and it will redirect you to the Start Up Manipur Registration Page and Start your Registration Process.

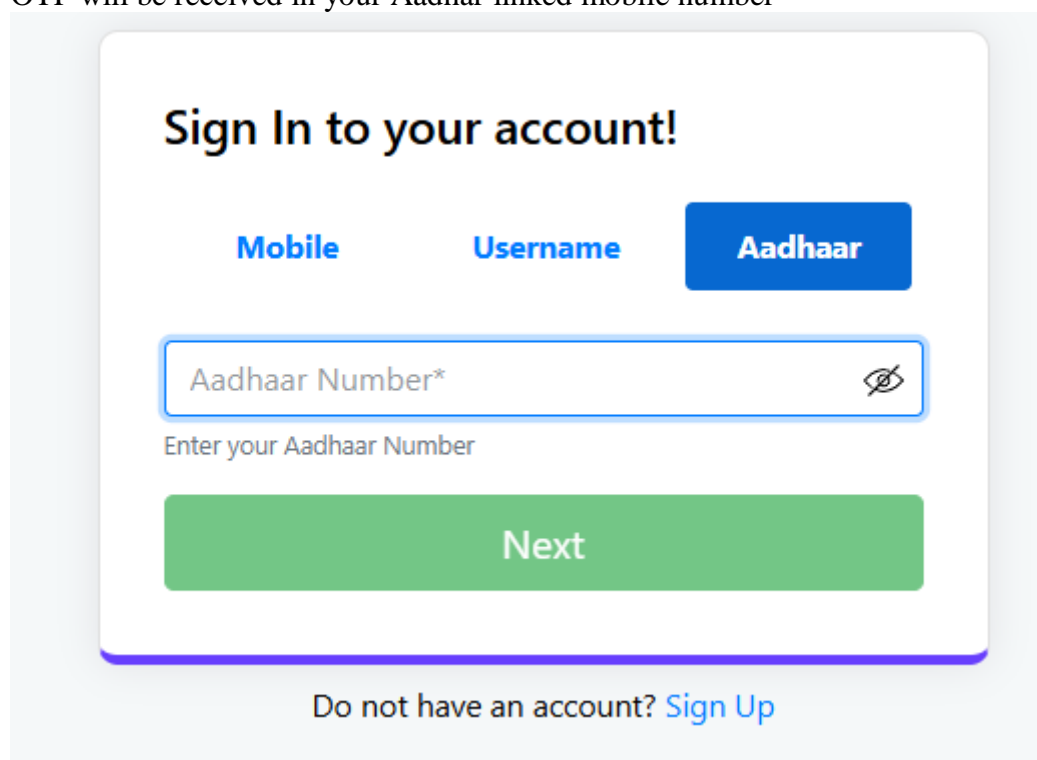

For Users with Digilocker Account

If you already have digilocker account then follow Step 1, 2 and Step a. In Step a click on **Try Another Way** link and you can see a page like this.

The screenshot shows a registration form titled "Creating account is fast and easy!". It includes input fields for "Full Name*", "Date of Birth*" (with dropdowns for Date, Month, and Year), "Mobile Number*", "Email ID", and "Set 6 digit security PIN*" (with a toggle icon). There are radio buttons for "Male", "Female", and "Other". A blue "Submit" button is at the bottom, followed by the text "I agree to the DigiLocker [Terms of Service](#)". At the very bottom, it says "Already have an account? [Sign In](#)".

Now click on Sign in link. Select Aadhaar and add your Aadhaar Number and click on Next an OTP will be received in your Aadhaar linked mobile number

The screenshot shows a login form titled "Sign In to your account!". It has three tabs: "Mobile", "Username", and "Aadhaar", with "Aadhaar" being the active tab. Below the tabs is an input field for "Aadhaar Number*" with a toggle icon. Below the input field is the text "Enter your Aadhaar Number". A green "Next" button is at the bottom. At the very bottom, it says "Do not have an account? [Sign Up](#)".

Now follow the same steps as in step b, c and d. Finally it will redirect you to registration page.
